

Industrial Exhibition & Sponsoring

Get your company involved!

For more than 60 years the Aachen Machine Tool Colloquium (AWK) is considered to be one of the most important meetings of production engineering decision makers and experts from Germany and Europe. With more than 1000 participants out of the industry, economy, science and politics, the AWK 2011 will again focus on current trends and developments – this year's main topic is "Integrative Production Technology for High-Wage Countries".

The Laboratory for Machine Tools and Production Engineering WZL of the RWTH Aachen University and the Fraunhofer- Institute for Production Technology IPT offer the opportunity to benefit from the event's renown.

Be a sponsor, join the exhibition with a booth, present your exhibits or use our advertisement media to make your company well known with first class international decision makers and experts.
